REVEREND MESSRS IN ALKUDUS VAKFI – HOLLAND.

Assalamu Alaikum Wa Rahmatuallahi Wa Barakatuhu

SUBJECT: THE 2011 A.D. QURBANI PROJECT REPORT .

First and foremost, we thank Allah (SWT), who above all, guides us and allows us to cooperate with each other and to receive all the generous support from your honorable association to help the poor and the needy families in the blessed month of Al-Adha Feast. We extremely appreciate your great efforts and your commitment to alleviate the sufferings of the poor and the needy families in the Holy Land.

Therefore we in Taffouh Charitable Society would like to extend our sincere thanks and gratitude to our brothers and sisters in Al-Quds Association for their blessed and great efforts for helping and supporting the steadfastness of the Palestinian People. Allah, the Exalted may bless your efforts and may reward and recompense your contributions in the Day of Judgment.

Our dearest brothers and sisters,

We present to your Excellency the 2011 Qurbani Project Report for approximately 400 beneficiaries from the orphans and the needy families, where each beneficiary receives 3 kilos of meat. The project has been implemented through four stages as follows:-

First Stage (Invitation to Quotation Requests): We invite bid tenders to obtain the bid document from the society to purchase the sacrifices (slaughtered animals). The bid was sent (Abd Rayyan Farm), owned by (Khalil yasir Sharawneh) mobile No. 0599210063, according to due form.

Second Stage (List of Beneficiaries): The names of the needy families and beneficiaries were written down in lists after verification and identification.

Third Stage (Slaughtering & Packages): Sacrifices (immolations) were slaughtered and packaged in food parcels.

Fourth Stage (Distribution & Documentation) : The project has been delivered and documented by photos and video sequences.

The report includes a copy of "Invitation to Bids" Form; copies of purchase invoices; transcript of beneficiaries' names as well as photos proving the stages of project implementation.

Finally, the project has great effect on the beneficiaries since it entered great happiness, joviality and merriment of Eid inside the houses of many citizens. Moreover, it draws smiles on the faces of the orphans, the widows and the bereaved.

With great Islamic respect.
